## General Comment

The EBSA Proposed Rule is more bureaucratic from the same ilk of stupid bureaucrats that brought socialized retirement to America in the first place - aka: SOCIAL SECURITY the taxpayer disaster that dipsticks like you seem to love! Keep your hands off the little that I have left of my retirement. I HAVE BEEN ABLE TO SAVE FOR MY RETIREMENT BEYOND THE DISASTER OF SOCIAL SECURITY. The pathetic and dispicable pitnance that you dole out to me in social security is a disgusting disgrace and a blackeye to bureaucratic financial "management!" Government shows no ability to manage finances, so butt out of my retirement and back off anymore "help" directing my retirement. I AM FULLY CAPABLE OF MANAGING MY RETIREMENT and your mucking around will only make it difficult to impossible - but that's probably your goal!  
I case I'm not clear - END THE EBSA PROPOSED RULE!
